stylish, exciting and captivating photography

*Leading fashion photographer
Jan Macdonald is now offering
his creativity and flair
to couples on their wedding day.*

*A variety of stylish
and contemporary books
are available to beautifully
display the day in detail.*

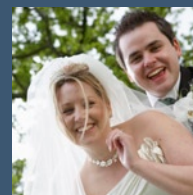

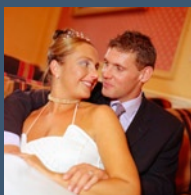

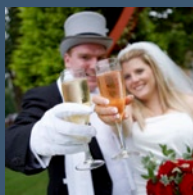

*These are not wedding albums
in the traditional sense but
fresh, exciting books
that you and your friends will
never tire of viewing.*

*Parents and guest books
in a variety of sizes and finishes are
available along with sets
of smaller keepsake books.*

*Ian can attend your wedding
day from the moment the bride
is getting ready with friends
and family through to the first
dance in the evening.*

*Because Ian is a successful
fashion photographer rather
than a pure wedding photographer,
his images are exciting and
beautifully lit, often overlooked with
traditional photography.*
